INTELLECTUAL PROPERTY LAW

“The key scope of our cooperation with Sawaryn and Partners is ongoing legal services. What our joint activities resulted in, was an investment agreement in the amount of PLN 1 million for the development of our innovative project – Vinci Rithms – that is, a system for analyzing inquiries based on machine learning. I am grateful to Mateusz for supporting us throughout the transaction, and I certainly won’t give up on further cooperation.”

CORPORATE LAW AND CORPORATE SERVICES

“Sawaryn and Partners law firm provides us with a wide range of legal services in the Polish and foreign markets – both in M&A, global mobility and contract law. And all this in the specific IT sector. It hasn’t happened yet that a topic has surpassed them, and there have been many challenges. We highly recommend working with Matuesz and his team.”
